Not To Barony

Shire of Owlsherst  
January 2020

Greetings good members of Owlsherst! A few months ago a question was brought up at the Shire Meeting whether we would want to consider becoming a barony. A committee was formed, and we looked at the requirements set forth by East Kingdom. We can readily meet those requirements. Before we pursue this any further we want to get your input.

We are holding two “Shire Hall Meetings” (rather than Town Hall Meetings!) to answer questions, gauge interest in becoming a barony, give pros and cons, and determine if we want to work toward this. The meetings are set in 2 locations of our Shire. You may attend either one, or both. Mundane clothing will be the norm.

If you cannot attend either meeting but want to give your feedback/opinion please do so! You can contact any of the members of the committee. They are Lady Cordeilla, Lord Gerhard, Mistress Linette, Master Robert, Lady Siobhan, and Lady Orlaithe, chair. If you have any questions, you can ask on the Owlsherst Facebook Discussion Page, or address an email to [blackswan20@comcast.net](mailto:blackswan20@comcast.net) (Orlaithe).

There will be a subsequent meeting on March 11 to summarize the information we've gathered from the two Shire Hall meetings. This summary meeting will be held at the Wednesday Night Gathering at First Church of the Brethren.
